Review of Supported Local Bus Services

What is this consultation about?

Cheshire East Council is proposing changes to local supported (subsidised) bus services as part of its budget plans. Details of the proposed changes are set out in the information booklet enclosed in the consultation pack. This questionnaire and the supporting information are also available online (at www.cheshireeast.gov.uk/busreview) and printed copies can be found at Customer Service Centres and libraries across the borough. **Please read this information fully before completing this questionnaire.** This questionnaire is to gather your views on the proposed changes and to help us understand how the proposals would affect you.

How this consultation will work

Prior to this consultation Cheshire East Council carried out a review of the supported bus services based upon the following evidence:

- Passenger numbers using existing services
- Asking passengers details such as why, when and where they are travelling
- Mapping how many residents have access by public transport to the major towns in Cheshire East
- Mapping how well the bus network meets the policy priorities of the Council

This information can be found online at www.cheshireeast.gov.uk/busreview.

Consultation respondents can give feedback either by:

- Visiting www.cheshireeast.gov.uk/busreview and completing the questionnaire online
- Email your comments to: bus.review@cheshireeast.gov.uk
