### **REVISION DATE**

### **REPLACES POLICY**

### **INTRODUCTION**

Goostrey Parish Council is committed to ensuring that all employees, volunteers, councillors and all service users are safeguarded in line with the provisions of the Working Together 2014 of the Care Act 2014 and the Mental Capacity Act 2005 (PHSA 3.1, 3.7).

Adult Safeguarding means protecting an adult's right to live in safety, free from abuse and neglect. It is about people and organisations working together to prevent and stop both the risks and experience of abuse or neglect, while at the same time making sure that the adult's wellbeing is promoted including, where appropriate, having regard to their views, wishes, feelings and beliefs in deciding on any action.

It must be recognised that adults sometimes have complex interpersonal relationships and may be ambivalent, unclear or unrealistic about their personal circumstances. People have complex lives and being safe is only one of the things they want for themselves.

## Safeguarding Procedure

### 1. First steps

If you think abuse has or may have occurred act immediately. It is the responsibility of the person first becoming aware of a situation where there may be an adult subject to, or at risk of, abuse to make safe and deal with the immediate needs of the person. This may mean taking reasonable steps to ensure the adult is in no immediate danger and seeking medical treatment if required as a matter of urgency.

Do NOT discuss the allegation of abuse with the alleged perpetrator.

Do NOT disturb or destroy articles that could be used in evidence. Where an assault of some kind is suspected do not wash or bathe the person unless this is associated with first aid treatment necessary to prevent further harm.

Do NOT discuss concerns or disclosures with other members of staff other than the safeguarding lead. (PHSA 3.2)

If the allegation is about a staff member or volunteer of any organisation, ensure that the allegation is properly managed. Tell your safeguarding lead or another manager /Chief Officer if your safeguarding lead is unavailable or is implicated in the allegation.

Contact the police if it is thought a crime has just been committed. Telephone 101 or 999 if an emergency

Record details of the allegation as soon as possible somewhere that can be kept secure. Include :

- a) the allegation or concerns, including the date and time of the incident,
- b) what the adult at risk said about the abuse and how it occurred or what has been reported to you.
- c) The appearance and behaviour of the victim.
- d) Any injuries observed.
- e) Whether any dependants are also at risk (PHSA 4.4)

### **PHSA 1.3**

#### 2. If the allegation is against a member of staff a volunteer or a service user of [name of organisation] (PHSA 3.6)

Goostrey Parish Council will ensure that any allegations made against members or a member of staff will be dealt with swiftly and in accordance with these procedures:

- The worker must ensure that that the vulnerable adult is safe and away from the person against whom the allegation is made.
- The named person for safeguarding should be informed immediately.
- In the case of an allegation involving the named person, alternative arrangements should be sought to ensure that the matter is dealt with by an independent person. (Note: this could be a committee member, director or anyone within the organisation that is in a senior position within the organisation and believed to be independent of the allegations being made).
- The named person should contact the local authority social services team for advice on how to proceed with the immediate situation. Outside of working hours the Emergency Duty Team can give advice and/or in the event of an emergency situation arising, the police.

- The individual who first received/witnessed the concern should make a full written record of what was seen, heard and/or told as soon as possible after observing the incident/receiving the report. It is important that the report is an accurate description. The named person (if appropriate) can support the worker during this process but must not complete the report for the worker. This report must be made available on request from either the police and/or social services.
  - Regardless of whether a police and/or social services investigation follows, [Organisation name] will ensure that an internal investigation takes place and consideration is given to the operation of disciplinary procedures. This may involve an immediate suspension and/or ultimate dismissal dependant on the nature of the incident.
  - [Organisation name] will also inform the Charity Commission and report this as a serious incident even if this is an allegation or suspicion as soon as is reasonably possible. This report will outline how the trustees will investigate this and actions taken to prevent this from reoccurring.
  - Whistle blowing will not prejudice the position or prospects of [Organisation name] staff or volunteers (PHSA 3.3)
3. Bring the concern to the attention of your Safeguarding Lead

It is the responsibility of the Safeguarding Lead to:

- i. Decide without delay on the most appropriate course of action once the allegation or suspicion of abuse has been raised.
- ii. Deal with any immediate needs:
  - a) Ensure that the victim of the alleged abuse is safe
  - b) Ensure that any necessary emergency medical treatment is arranged
  - c) Ensure that no forensic evidence is lost
  - d) If the alleged perpetrator is also an adult at risk, ensure that another member of staff/manager is allocated to attend to their needs and ensure that other service users are not put at risk.
- iii. Clarify the facts stated by the member of staff but do NOT in any circumstances discuss the allegation of abuse with the alleged perpetrator or, if possible, the victim.
- iv. 4. Check that the circumstances fall within the safeguarding adults procedure i.e. meeting the definition of abuse as defined in this Policy and Procedure.
- v. Address issues of consent and confidentiality, taking care to not promise confidentiality
- vi. A formal referral must be made on the same day as the alert is raised when:
  - a crime has been, could have been, or yet could be committed.
  - There is a suspicion that an abuse has taken place.
  - The allegation involves a child
  - The alleged perpetrator is themselves an adult at risk.
  - They are unsure if abuse has taken place
- vii. 7. Where a decision is made NOT to refer, the alert must be recorded, with the reasons for the decision not to refer.
- viii. 8. All incidents, allegations of abuse and complaints must be recorded , monitored and available for internal and external audit. (PHSA 2.1, 2.2)

This involves bringing the concern regarding alleged abuse or potential abuse formally to the attention of the following authorities as appropriate:

- All referrals should be made to: **Cheshire East Adult Social care**  
The following number should be called **0300 123 5010**
- The police if you think a crime may have been committed - Tel: 101 and specify it is a safeguarding issue (999 in an emergency).
- If a child is also at risk contact Children's Services Tel: 0300 123 5012
- Outside normal office hours, or on weekends or Bank Holidays, contact should be made for childrens and adults on the **out of hours** number **0300 123 5022**.

The person making the referral should ideally have the following information available; however, the lack of any of this information should not delay the referral:

- The name of the adult
- Date of birth and age
- Address and telephone number
- Why the adult is considered to be at risk
- Whether consent has been obtained for the referral, and if not the reasons e.g. the adult lacks mental capacity or there is an over-riding public interest (e.g. where other adults or children are at risk)
- What the person involved has said they want to happen next (the referral needs to be made, with details of those involved even if the person has not given consent, but this needs to be included in the information given)
- Whether there are any concerns or doubts about the mental capacity of the adult at risk
- Whether the police are aware of the allegation, and whether a police investigation is underway
- If possible, use the Cheshire East Safeguarding referral form (appendix 2)

#### What happens next?

The designated lead should receive acknowledgement or the referral from the relevant agency, and be given feedback about what happens next. This will not always be appropriate to pass on to the person completing the first account report.

**This policy and procedure should be read in conjunction with the following relevant policies:**

- Equality and Diversity
