GOOSTREY PARISH COUNCIL

GOOSTREY VILLAGE HALL - CONDITIONS OF HIRE

USE OF THE PREMISES

1. The Hirer (who must be over 18 years of age) shall - at the time of booking the premises - give the name of the person who will supervise the premises and ensure that these Conditions are adhered to. S/He shall appoint such stewards as may be necessary for this purpose. The Hirer shall be responsible for the cost of any damage that may arise from the use of the premises and surrounds.
2. Hirers who do not book the services of the Caretaker must leave the Hall clean and tidy (including the toilets and corridors). Failure to comply with this rule will mean that charges for cleaning will be made at the appropriate rate which could include overtime surcharges.
3. Hirers are expected to assume responsibility for the security of that part of the premises that they have hired from the time of access to the time they leave. Security also includes ensuring that only the rooms hired are used plus the toilet area. School property and equipment is not to be used under any circumstances. The supervisor appointed under the terms of Clause 1 shall be responsible for ensuring that all heating and lighting equipment is switched off, the waste bin in the lounge kitchen is emptied and that no fire hazard is apparent.
4. Hirers who are unable or unwilling to comply with Clauses 2 and 3 of these Conditions must make this known at the time of hiring so that alternative arrangements can be made for which an additional charge will be made.
5. No alcoholic drinks may be brought onto the premises without the consent of the Management Committee. Where applicable, and subject to the requirements of the Licensing Act, an appropriate Licence must be obtained in advance.
6. Any users of part of the premises shall conduct themselves so as to avoid annoyance to users of any other part of the premises or to local residents; in particular, excessive noise shall be avoided.
7. Any member of the Management Committee or the Caretaker has the right of access to the whole of the premises at any time and has the authority to require the removal from the premises of any persons who, in their opinion, is guilty of disorderly or objectionable conduct, or is otherwise in contravention of these Conditions.
8. The Hirer shall ensure that no person brings into the premises any furniture, fittings, decorations (including candles or naked lights), plants, shrubs etc. without the prior consent of the Management Committee. **Barbecues are also forbidden without prior consent.**
9. **The use of smoke machines (or similar) is strictly forbidden.** Failure to comply will result in activation of the sensitive fire alarm, in which case a call-out charge will be levied by the Fire Service.
10. The Hirer shall ensure that no slide or cine-projection equipment, or audio amplification equipment, is brought onto the premises unless its sole connection to the fixed installation in the premises is a single flexible connection (properly used and fitted with the correct plug) to a 13 amp socket outlet. No other electrical or audio apparatus shall be used without the consent of the Management Committee.
11. No person shall interfere with any part of the fixed installations on the premises. A Hirer wishing to use any of the special equipment should obtain a demonstration from a member of the Management Committee.
12. Any solid or liquid substance that is accidentally spilled on any of the floors should be cleaned immediately using water only.
13. A Notice Board is provided in the entrance hall and notices approved by the Management Committee may be affixed thereto. No notice, advertisement, or any other similar thing may be affixed to any other part of the premises, either internally or externally.
14. The Hirer shall acquaint himself with the emergency exits and with the fire equipment provided and shall ensure that the premises can be quickly evacuated in the event of fire. All entrances, exits and passageways shall be kept clear of obstruction and available for use in an emergency. Persons using the stage for plays or similar purposes shall take care to limit and control the amount and nature of materials and equipment used in the production.
15. The use of the premises shall be subject to the changes in force at the time when the function is held. The Management Committee reserves the right to amend the charges at any time without notice.
16. Hirers are advised to consider purchasing appropriate liability insurance cover as a protection against claims and for the loss or damage to person or property (Goostrey Village Hall) as a result of the activities of the hirers.

BOOKING THE PREMISES AND PAYMENT THEREOF

- a Application shall be made in writing on a form that will be provided for the purpose.
