**5. Committee Matters:** To receive reports from the Parish Council Committees:

i. **Amenities Committee Report** -To consider the proposal in the Amenities Report (see Report in the Appendix)

The Chairman thanked Cllr Williams for volunteering to keep the verge at the Corner of Church Bank and Main Road tidy.

**Motion: Resolved:** *The Parish Council resolves to approve the Amenities Committee proposal to accept the quote for the initial cut of the verge opposite the Crown of £100 and that it is then cut twice a month with the additional areas of grass cutting at no additional charge to the Council.*

ii. **Village Hall Management Committee (VHMC)**– Cllr Beckham reported that information had been received on how village halls and community buildings might re-open from Action with Communities in Rural England. A meeting of the VHMC will be scheduled w/c 6th July to discuss the practicalities of re-opening the Village Hall. He went on to say that because of the new hygiene regime for COVID-19 in a new Village Hall Supervisor would need to be engaged before the building could be re-opened. A report from the VHMC meeting will be presented to the Parish Council at the July Parish Council meeting.

**6. Planning Matters:** To review the outcome of the Planning Meeting on 23<sup>rd</sup> June 2020. The Chairman summarised the decisions on the applications reviewed at the Planning Meeting. Full details are available in the Minutes of the meeting on the web site <https://goostrey.info>

**Actions:** Clerk to:

- Request a response from Cheshire East Highways and the Cheshire Constabulary for a response to the letter about average speed cameras
- Ask for an update from Planning Enforcement regarding the Antenna on Station Road.

**9. Highways & Speedwatch** – To receive reports on any items of interest – TR & CR

**Speedwatch** – Cllr Rathbone reported that approval from Cheshire Constabulary had been received to re start Speedwatch. Guidelines on Social Distancing and COVID hygiene were provided and are in place. Speedwatch will resume on 24<sup>th</sup> June.

**Highways** – Cllr Ross highlighted the anomaly of the national speed limit in force on New Platt Lane, Goostrey Lane and Bomish Lane on the approach to the Village. He observed that when motorists come off the A50, which is 50 mph, the speed limit increased to 60mph and then entering Goostrey reduces to 30mph. He requested that the Parish Council ask if the 60mph could be reduced to 50mph as he had seen vehicles travelling a high speed coming into the Village. Cllr Rathbone commented that in general, speed limit reduction is only achievable on roads which have a high rate of fatalities. **Action:** Clerk to raise this issue with Cllr Kolker.

**10. Police Matters:** To inform the PC of any key recent developments and to answer Councillors' questions. Cllr Rathbone had nothing to report other than the Police and Crime Commissioners regular updates to Stakeholder were being circulated to all councillors.**11. Love Goostrey Volunteers:** To consider the following motions (see report in Document Pack)

**Motion 3: Resolved:** *On behalf of the residents of Goostrey, the Parish Council resolved to thank the Love Goostrey volunteers for coming forward to help their neighbours and the community during the COVID-19 Pandemic.*

**Action:** Clerk to attach the schedule of activities the Love Goostrey Volunteers have carried out during the COVID-19 Pandemic to the minutes of this meeting so that the actions are recorded in the Parish Council Minute Book and on the website.

**Motion 4: Resolved:** *The Parish Council resolves to send a letter of thanks to each of the Love Goostrey volunteers.*

**Action:** Clerk to check verify the exact wording of the letter with Love Goostrey.

**12. Annual Plan:** To consider the draft Annual Plan- KM

The Chairman reported that he had consulted with Cllr Ross, Sulej and Beckham, and that he had included their suggestions into the draft plan. However, because the new committees have not been formed, he felt it was unlikely that much progress would be made at present, unless the current committees wanted to take the ideas forward. DR and JS had made some suggestions about involving young people in Goostrey in village life. The Chairman felt that if the Parish Council was supportive of this initiative, they could construct a plan of how this could be realised to present to the council at the July meeting.

**Actions:**

- Cllrs Ross and Sulej to provide a report to the Council at the July meeting.
- Councillors to check the plan and to let the Clerk know if they are happy to accept the actions allocated to them before the July Meeting.
- The Parish Council to review the Annual Plan in September and finalise in October/November.
- Appoint Committees at the September meeting if the meeting is face to face if not defer to the October meeting.
- Clerk to add a Communications Policy to the list of new policies.

- Corner of Booth Bed Lane and Main Road – Any plans to update the area would need to be discussed with Nell Jones’ family before any final decisions are made.
- The Sibelco strategy should be pulled together by a small group of councillors led by DR.

- 13. Letter from Secretary of State Regarding Funding for Lower Tier Councils** – To consider sending a reply to the Secretary of State.

**Resolved:** *The Parish Council resolved to reply to the letter from the Secretary of State regarding funding for lower tier councils to request that if any future funding is made available it needs to be clear that this funding is specifically for Town and Parish Councils as the current funding was being retained by Cheshire East Council.*

- 14. Local Council Awards Scheme – Quality Award:** To consider if the Council is in a position to submit the application.

The Clerk reported that most of the documentation and policies required for Quality Status are in place, however, it was necessary to ensure that all policies are up to date and the next review date has been set. The Chairman and Cllr Rathbone volunteered to assist with the review of the documentation.

**Action:** Clerk to provide a list of policies and staff related document for review.

She went on to highlight that the step up from the Quality award to Quality Gold is focused on the Community and plans for the community. We would need to demonstrate this through community engagement and include the items in the plan. Items for inclusion could be the Parish Council donation to the new bowling hut, the ongoing utilisation of the Love Goostrey Volunteer Group, the Village Entrances Project and similar initiatives. The recommendation would be to apply for the Quality Award as soon as the policies are checked and once that is achieved, apply for Quality Gold within a year.

**Action:** Clerk to look at Councils of villages of a similar size to Goostrey which have achieved Quality Gold status to see what initiatives they have undertaken which contribute to achieving the award.

- 15. Website Accessibility Compliance Status:** To consider the updates to the web site to make it Accessibility Compliant. The Clerk reported that she had completed part 1 of the training and would complete part 2 on 24<sup>th</sup> June. The website would need to be compliant by September 2020. There are a few issues to discuss with the developers and a decision regarding the format to use for documents posted on the site would need to be made going forward.

**Actions:**

- Clerk to liaise with the Netwise to ensure the site is compliant by September 2020.
- Clerk to carry out further testing of the site to ensure it is compliant.
- Clerk to investigate using Word format documents (read only) and storing them in Office 365 one drive and link them to the web site instead of using PDF files which are not as accessibility compliant. And to review if the Twitter and Facebook feeds are compliant. Include cost implications of any of these changes. Clerk to report at July meeting.

- 16. Minor Items & Items for the Next Agenda:** To take any points from Members and to note urgent items of interest. There were no items mentioned.

- 17. Date of Next Meeting:** To confirm the date of the next Meeting – 28<sup>th</sup> July 2020.

- 18. Closure of Meeting:** To formally close the Meeting at 20.50

**Public Session** - There were no members of the public in attendance.

*These minutes will be submitted for approval at the next meeting. Until then they are draft minutes.*

All minutes and meeting papers which are non-confidential are available at <https://goostrey.info> under the Parish Council Documents menu item

## **APPENDIX 06/20.**

### **ITEM 06.20.05. - COMMITTEE MATTERS – AMENITIES COMMITTEE REPORT**

#### **Village Maintenance – Grass Cutting**

Verge at the Junction of Church Bank and Main Road – This verge has been adopted by the Environmental Group, as a member of this group Cllr Emma Williams has volunteered her time, free of charge, to keep this verge tidy and free of noxious weeds.

The Amenities Committee has asked CEC Highways for approval for the Environmental Group, supported by the PC, to maintain this verge from 1st July 2020 and has also asked CEC highways not to cut the grass nor to undertake chemical weed control from this date in order to allow any approved planting to flourish.

Verge opposite the Crown from the Village Notice Board to the Scout Hut and Youth Facility gates – Members of the Amenities Committee had requested that this verge be left to grow as it was comprised in the main of cow parsley and would provide a good habitat for insects. Now that the cow parsley has died back it is proposed that the maintenance of this verge is taken on by Greenfingers (our preferred supplier) at an initial cost of £100.00 for the first cut and thereafter it will be cut twice a month with the additional areas of grass cutting. The cost of future regular cutting will be absorbed within the currently agreed total figure for the other areas of additional grass cutting.

**Motion:** The Amenities Committee proposes that the Parish Council accepts the quote for the initial cut of the verge opposite the Crown and that it is then cut twice a month with the additional areas of grass cutting at no additional charge to the Council.
